

UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA

* * *

JOHN NUNLEY,

Petitioner,

v.

EIGHTH JUDICIAL DISTRICT COURT,
et al.,

Respondents.

Case No. 2:16-cv-00560-GMN-GWF

ORDER

Petitioner has submitted a purported pro se petition for writ of habeas corpus U.S.C. § 2254 (ECF No. 1). The petition is not on the court-required form, and petitioner has failed to submit an application to proceed *in forma pauperis* or pay the filing fee. Accordingly, this matter has not been properly commenced. 28 U.S.C. § 1915(a)(2) and Local Rule LSR1-2. The present action, therefore, will be dismissed without prejudice.

Moreover, petitioner sets forth no discernible factual allegations cognizable in federal habeas and no discernible, plausible factual allegations that would state a claim for which relief may be granted in any event. His claims include: “fiduciary trust fraud, probate fraud, non-disclosure, semantic deceit . . .” and he states that he has not consented to his name as it appears in all capital letters on the complaint and information. Petitioner’s submissions are delusional and frivolous.

IT IS THEREFORE ORDERED that this action is **DISMISSED** as improperly commenced and frivolous.

IT IS FURTHER ORDERED that the Clerk shall enter judgment accordingly and close this case.

DATED: 20 April 2016.

GLORIA M. NAVARRO, CHIEF JUDGE
UNITED STATES DISTRICT COURT
